

Save the Date – September 11-15, 2012

“California Passes”

Hello, my name is Bill Davis and I am the Rally Coordinator for this year’s 2012 California State H.O.G. Rally.

The 2012 California State Rally is made up of three parts:

1. Touring Event (September 11-15, 2012)
2. Day Rides and Games (September 11-15, 2012)
3. *“California Passes”* Game (Once Pre-Registration Opens)

The rally is open to all current National and International H.O.G. Members and one guest. This event will offer the opportunity to ride some of most beautiful roads and mountain passes we have right here in our own state. In addition to amazing roads and passes, you can count on plenty of food and parties . . . everything a rider loves!

The 2012 California State Rally starts in Santa Maria on September 11th and ends in Sacramento on September 15th. We will plan an early check in on the 10th in case you want to come before the 11th to enjoy some of the great riding available around the Central Coast of California. We are anticipating on-line registration to open mid March. Pre-registration closes the first of July 24th. All riders who pre-register can start having fun with the *“California Passes”* Game from the moment they receive their pre-registration packet.

Riders with limited time can join the rally at four different points along the route:
Santa Maria, Visalia, Mammoth Lakes and Sacramento

Your pre-registration of \$55 will be open early March and includes:

1. Rider registration
2. Rally Guide with *“California Passes”* Game Information
3. Day Ride or Poker Run Handout (in Sacramento)
4. Official Rally T-Shirt and Pin
5. Numerous meals along the route
6. Opening ceremony in Santa Maria and Closing Ceremony in Sacramento

Additional merchandise will be available for purchase to all pre-registered riders.

The above information is subject to change, but the latest information is updated on our official website, www.castatehogrally.com. Please take time and “Like” us on our Facebook page California State HOG Rally for regular updates through Social Media.

Thanks and look forward to you riding with us this year!
